PETITION TO STOP FUNDING THE IRAQ WAR

Dear,

(Congressional Representative and/or Senators)

I am strongly opposed to the illegal war of aggression against Iraq. I believe the war betrays American values, violates the will of the Iraqi people, fuels anti-Americanism, and makes us all less safe.

I believe the best way to stop the war is to stop its funding.

I call for a formal apology to the people of Iraq and for funding to be provided by the U.S. for the rebuilding of Iraq, by the Iraqi People.

I call for an immediate redeployment and phased withdrawal of our Troops.

I call upon you to vote AGAINST President Bush's Supplemental Appropriations Bill in September, and use Congress' power of the purse to end the Iraq War.

Respectfully,
